"KAYA NAMAN PALA BASTOS" Sinuspinde ng Professional Regulation Commission (PRC) ang lisensiya ni dating anti-insurgency spokesperson at doktor na si Lorraine Marie Badoy sa loob ng anim na buwan dahil sa kanyang mga pahayag na nag-uugnay sa ilang health workers sa mga grupong komunista.

Ayon sa PRC Board of Medicine, lumabag si Badoy sa Code of Ethics ng mga doktor dahil sa hindi etikal at hindi propesyonal na pag-uugali. Habang suspendido, hindi siya maaaring magpraktis ng medisina.

Nagsampa ng reklamo laban kay Badoy ang Alliance of Health Workers at isang grupo ng mga doktor matapos umano niyang paulit-ulit na iugnay ang mga health worker sa CPP-NPA-NDF. Ayon sa PRC, wala ring naipakitang opisyal na dokumento na magpapatunay sa mga paratang na ito.

Binigyang-diin din ng PRC na ang mga doktor ay inaasahang manatiling propesyonal at sumunod sa kanilang code of ethics, kahit hindi sila nasa aktuwal na praktis ng medisina o nasa serbisyo ng gobyerno.

Hindi ito ang unang kaso ni Badoy. Noong 2024, pinatawan siya ng Supreme Court ng indirect contempt kaugnay ng red-tagging, at inatasan din ng Quezon City Regional Trial Court na magbayad ng danyos sa kasong isinampa ng mamamahayag na si Atom Araullo. Inihayag ni Badoy na iaapela niya ang naturang desisyon.

Pag-isipan nyo po ito. Based sa na-research ko, and correct me if I'm wrong. Si Joseph Estrada ay nahatulan ng guilty of PLUNDER, involving ₱4 Billion accumulated ill-gotten wealth. After several weeks pagkatapos ng conviction, pinalaya sya at pinardon ni Gloria Arroyo, kaya nakatakbo muli at nanalong mayor si Joseph Estrada. Paano nagawang iboto muli ng mga taga Manila si Erap? Considering na convicted ito ng plunder due to 4 billion pesos worth of ill-gotten wealth??

Now come to think of this naman, isang principal sa Virac Catanduanes ang nahatulan ng Sandiganbayan ng 11 years na pagkakabilanggo, dahil nagbalsa ng five thousand pesos. Mas malaki ba ang five thousand na binulsa nung principal kumpara sa four BILLION ill-gotten wealth ni Erap?? I'm sure araw-araw may nakukulong na mga ordinaryong Filipino dahil sa pagnanakaw ng maliit na talaga, so sana yung mga senador at congressmen na nananatili paring malaya, sana ipakulong na rin sila at HUWAG naman sanang palayain!! At sana sa mga botante na patuloy na bumoboto ng mga magnanakaw at problematic na politicians, ITIGIL nyo na please, maawa kayo sa Pilipinas. Sana mabasa ito ng mga DDS na idol si Gloria, Erap at Jinggoy.

'NAGBABARILAN NGA KAYO SA SENADO'

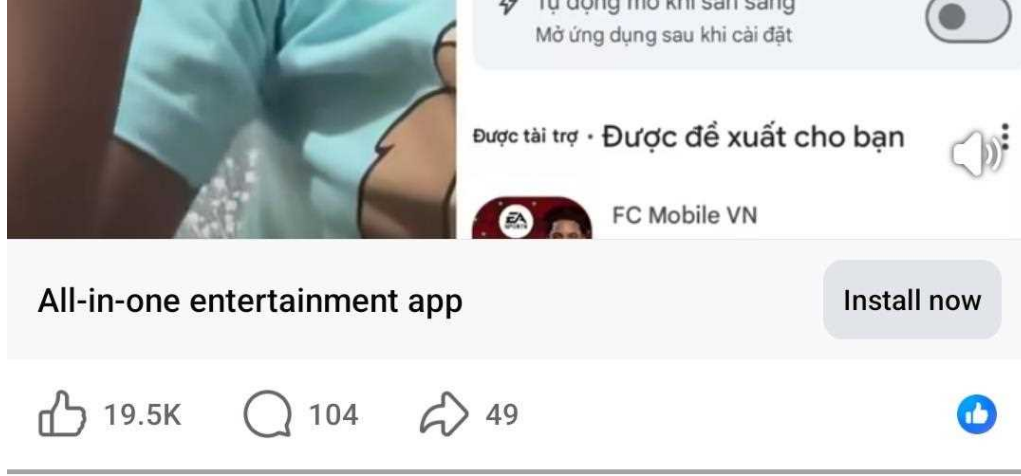

Nagbigay ng reaksiyon ang comedian at content creator na si James Caraan sa gitna ng lumalakas na panawagan ng ilang opisyal na higpitan ang access ng mga menor de edad sa mararahas na video games matapos ang insidente ng pamamaril sa isang paaralan sa Tacloban City.

Matatandaang lumabas sa imbestigasyon na umano'y nahilig sa video game na GoreBox ang dalawang menor de edad na suspek, dahilan upang may ilang opisyal na ituro ang violent video games bilang isa sa mga posibleng nakaimpluwensya sa insidente.

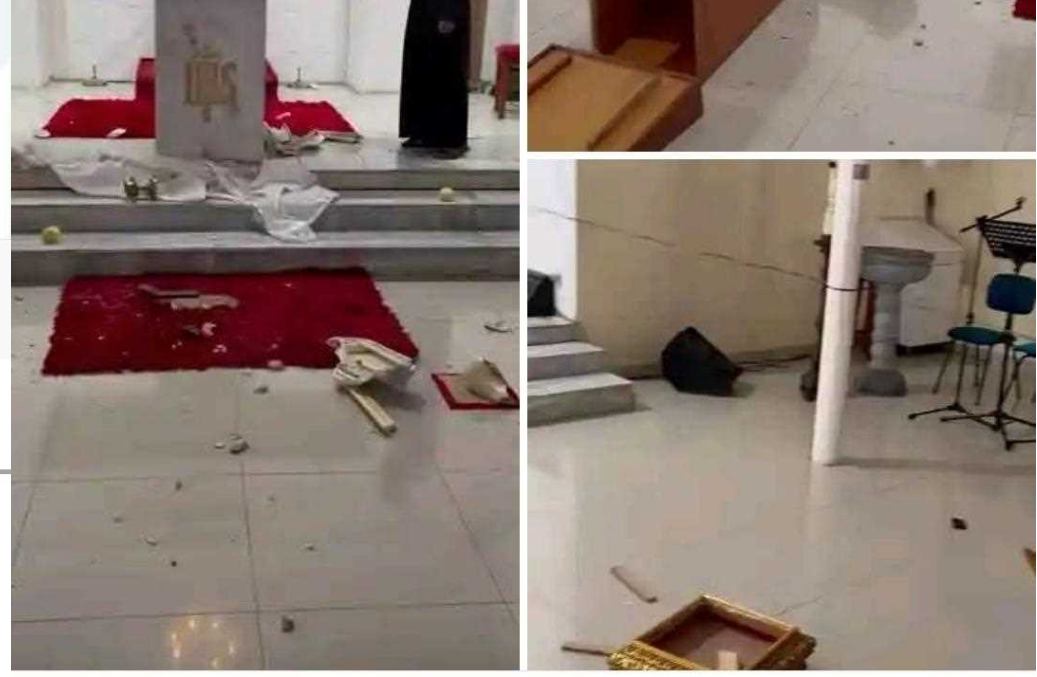

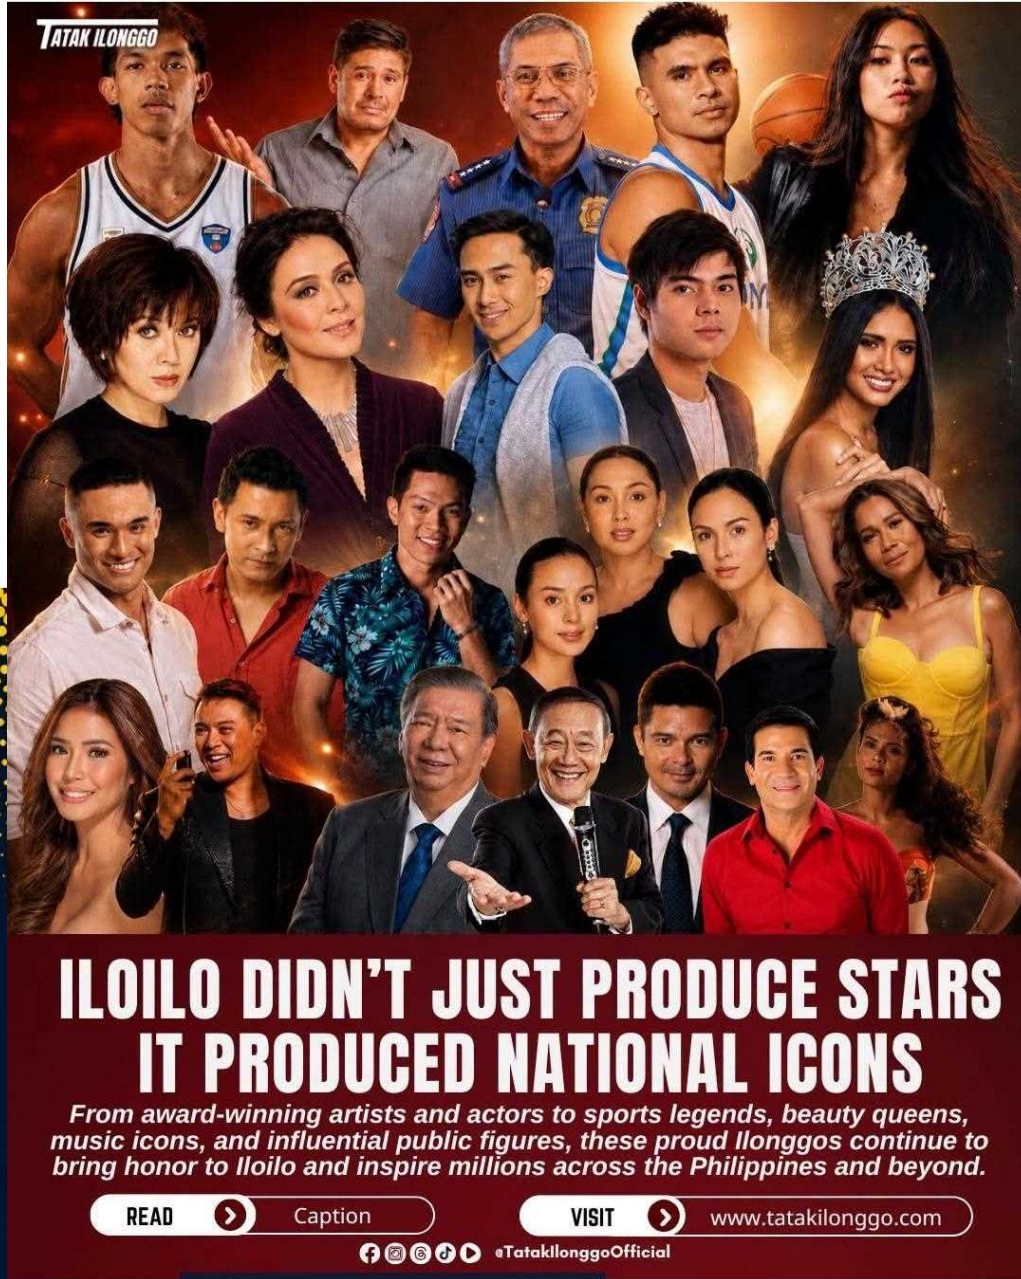

Sa kanyang social media post, pabirong sinabi ni Caraan:

"Nagbabarilan nga kayo dyan sa Senado tapos video games tuturo nyo."

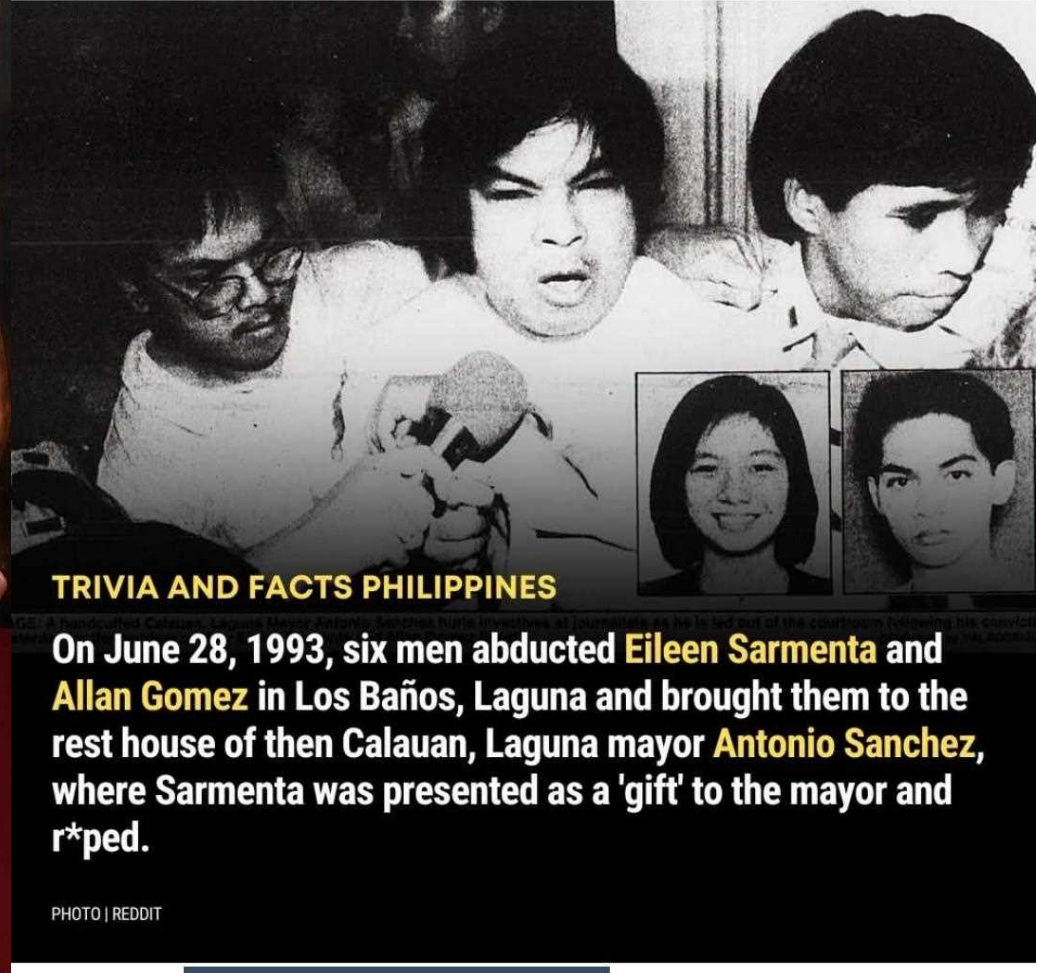

Ang kanyang pahayag ay umani ng iba't ibang reaksiyon mula sa netizens, kung saan may mga sumang-ayon na hindi dapat video games lamang ang sisihin, habang iginiit naman ng iba na nararapat ding suriin ang iba pang posibleng salik tulad ng kalusugang pangkaisipan, kapaligiran, at access sa mga armas.

PAMILYA NG 14-ANYOS NA SUSPEK, MAGBABAKASAKALI UMANONG MANIRAHAN SA MAYNILA PAGKATAPOS NG TACLOBAN SHOOTING

Kasunod ng pag-atake sa San Jose National High School, wala na umano sa kanilang bahay sa Tacloban City ang pamilya ng 14-anyos na suspek.

Batay sa mga ulat, umalis ang pamilya noong Huwebes at pinaniniwalaang nagtungo sa Maynila.

"Inabandona na nila yung bahay nila noong Huwebes. Ang alam namin papunta sila sa Maynila," ayon sa isa sa mga residente ng lugar.

Lumabas din sa mga ulat na hindi umano palakihalubilo ang menor de edad at bihirang makisama sa ibang kabataan sa kanilang komunidad.

Samantala, bukod sa kinakaharap na kaso ng suspek, posible ring maharap sa pananagutan ang kanyang mga magulang kung mapatutunayang nagkaroon ng kapabayaang kaugnay ng insidente.

Psalm 91

Whoever dwells in the shelter of the Most High will rest in the shadow of the Almighty. I will say of the Lord, "He is my refuge and my fortress, my God, in whom I trust."

Surely he will save you from the fowler's snare and from the deadly pestilence. He will cover you with his feathers, and under his wings you will find refuge; his faithfulness will be your shield and rampart. You will not fear the terror of night, nor the arrow that flies by day, nor the pestilence that stalks in the darkness, nor the plague that destroys at midday. A thousand may fall at your side, ten thousand at your right hand, but it will not come near you. "Because he loves me," says the Lord, "I will rescue him; I will protect him, for he acknowledges my name. He will call on me, and I will answer him; I will be with him in trouble, I will deliver him and honor him. With long life I will satisfy him and show him my salvation."

Sinuspinde ng Professional Regulation Commission (PRC) Board of Medicine ng anim na buwan ang lisensya bilang doktor ni dating NTF-ELCAC spokesperson Lorraine Badoy-Partosa dahil sa "red-tagging" sa mga health worker.

Ayon sa resolusyong isinapubliko nitong Hunyo 27, 2026, napatunayang nagkasala si Badoy ng hindi etikal at hindi propesyonal na asal.

Nilabag niya ang Revised Code of Ethics of the Medical Profession nang iugnay niya sa CPP-NPA-NDF ang mga kapwa manggagawang medikal noong kasagsagan ng pandemya.

Dahil sa suspensiyon, bawal siyang magpraktis ng medisina sa loob ng kalahating taon.

Ikinagalak naman ng Alliance of Health Workers ang desisyon at tinawag itong tagumpay laban sa harasment at red-tagging.

this isn't something i usually make posts about but now, im irritated and i need to talk about it.

so, a chunk of you guys are aware that, on my second channel @willnetworkbarbados, i post a bunch of different tv recordings that i find online from multiple open sources, such as OpenWeblfs. and i assume you guys are also aware that iya (@télélibrary_307) does it too.

well, what i would like you to do is to go to her channel and unfollow her!!!

why, you might ask? lemme explain. so, me and some friends found out that somebody finds fun in deleting recordings from some of our recording sources, most specifically OpenWeblfs. we were really confused because, first of all, why the hell would they do that? and second of all, who the hell is doing that? we later found out that it was potentially iya (@télélibrary_307) that was doing it, in the picture below, praire being her secret account. now, it might NOT be her, but it was well clearly said in the picture that she deleted recordings before.

iya, you're a tv archiver. your initial job is to share rare tv content and tv archives that you find, NOT TO DELETE THEM. it also baffles me how much of a competition do you think tv archiving is. who gives a fuck if somebody posts a recording that both of yall found online?

i'll never understand people who do this. as a tv archiver, our role should be to PRESERVE the recordings we find in order to PREVENT stuff like THIS to happen. if you're greedy and you treat online recordings that don't even belong to you as something that should be exclusive to you, be ashamed and STAY ashamed. online recordings from open source are meant to be SHARED in between us tv archivers, and bigots like you who decide to just take everything away just for yourself ruins the entire fun. i don't want tv archiving to be competitive. i don't want to stress over a hobby that should

oh and iya isn't dead at all. y'all can stop believing this Ovidio Pagano shit, she just wanted to run away from the fact that she got exposed for being an animal abuser and a genuinely horrible person in general.

so yea, this was that. never speaking to this girl again, whew shes a mess.

Panalangin kay Santo Niño

O, banal na sanggol, Diyos na Ma... Tumingin pa

Dasal ng Bayan

O, banal na sanggol, Diyos na Makapangyarihan at bukal ng mga biyaya, kami ay naninikluhod sa iyong harapan. Buong puso kaming sumasamba at nagsisisi sa aming mga kasalanan.

Iniaalay namin sa Iyo ang aming sarili. Itulot Mo na kami ay matulad sa Iyong Kabanalan.

Gawin Mo kaming maamo, mababa ang loob, matiisin, malinis, maunawain sa kapwa at masunurin sa kalooban Mo. Hinihiling namin ito sa pamamagitan Mo, kasama ng Ama at ng Espiritu Santo magpasawalang hanggan.

Amen

TOTAL PHONE BAN IN DUMANJUG SCHO... more

Mayor Gungun Gica 4h

To all school heads and district supervisors, and to all parents of our students:

No, in Dumanjug, it is a total ban.

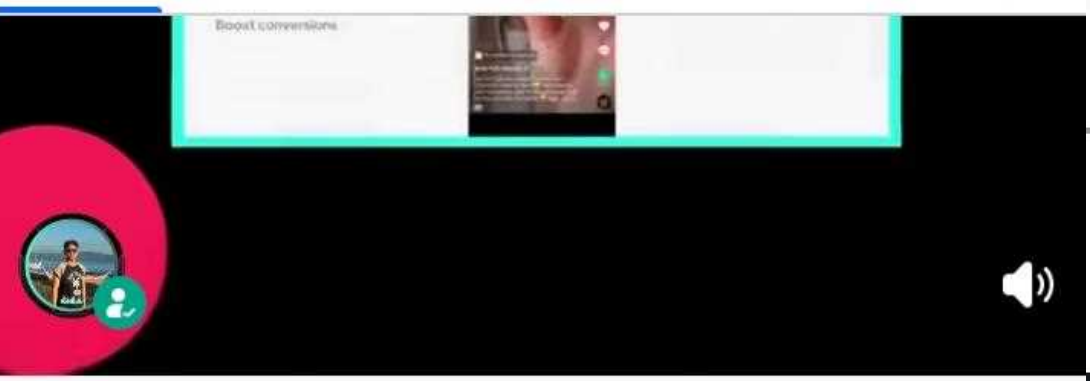

There are no phones allowed in school. Starting Monday, if a student brings a phone, it will be confiscated and only returned at the end of the school year. If you do not wish to follow this policy, you have the option to transfer your children to another municipality.

We want our kids to read, study, and interact with their classmates.

At home, we expect parents to talk to their children, follow up on what they learned in school, and encourage healthy relationships between siblings and parents.

After the devastating twin earthquakes in Venezuela, countless lives have been turned upside down. Homes have crumbled, businesses have been destroyed, and families have been left grieving and searching for hope.

Rescuers continue to risk their own lives, working tirelessly through the rubble, not only to save people, but also the innocent animals trapped beneath the debris. Every life matters. Every rescue matters.

Seeing these dogs being carefully pulled from the ruins is a powerful reminder that compassion knows no boundaries. In the darkest moments, kindness shines the brightest.

Humanity is alive in every helping hand, every act of courage, and every life saved.

The world is healing, not because tragedies no longer happen, but because there are still people who choose compassion over indifference.

Our thoughts and prayers are with everyone affected in Venezuela. May hope continue to rise from the rubble. 🙏

Situation 10 – Cable Angles

Unknowns: $\beta_1, \beta_2, \beta_3$

Solution:

1) Horizontal geometry:

$$8 \cos(\beta_1) + 12 \cos(\beta_2) + 10 \cos(\beta_3) = 24$$

2) Vertical geometry:

$$8 \sin(\beta_1) + 12 \sin(\beta_2) - 10 \sin(\beta_3) = 6$$

3) Let H = constant horizontal tension component.

At joint 1:

$$H (\tan(\beta_1) - \tan(\beta_2)) = 1600$$

4) At joint 2:

$$H (\tan(\beta_2) + \tan(\beta_3)) = 2000$$

5) Solve the 4 equations simultaneously.

$$\beta_1 = 53.62^\circ$$

$$\beta_2 = 24.83^\circ$$

$$\beta_3 = 33.23^\circ$$

Multiple-choice check:

31) $\beta_1 = 53.62^\circ$

32) $\beta_2 = 24.83^\circ$

33) $\beta_3 = 33.23^\circ$

ANG KAILANGAN NG TACLOBAN AY HUSTISYA, HINDI DADA NI ROBIN AT PEKENG DALAMHATI NI SARA

Saan kaya kumukuha ng kapal ng mukha si Robin Padilla para magsermon tungkol sa hustisya at pananagutan? Ito rin ang Robin na nagsilbing getaway driver ng puganteng senador na si Ronald "Bato" dela Rosa nang tumakas ito mula sa Senado upang makaiwas sa warrant of arrest ng ICC kaugnay ng kasong mass murder na nag-ugat sa madugong drug war ng rehimeng Duterte. Libo-libo ang napatay, kabilang ang mahigit isang daang menor de edad, gaya ni Kian Delos Santos.

Noong pinapatay ang mga bata sa lansangan sa ilalim ni Duterte, wala tayong narinig kay Robin. Wala siyang panawagang papanagutin ang mga extrajudicial killer. Ngayon, bigla siyang leon kung umasta.

Sakto ang banat ni Akbayan Party President Rafaela David kay Robin: "Kapag bata, kulong; kapag si Bato, takas at tulong."

At heto pa ang sukdulan ng pagiging hipokrito. Naiulat ding dumalaw si Bise Presidente Sara Duterte sa burol ng isa sa mga biktima ng Tacloban shooting upang "makiramay." Wow. Ang isa sa pinakamaingay na tagapagtanggol ng drug war ng kanyang ama, na kumutil ng buhay ng napakaraming bata, ay nakikidalamhati ngayon sa pagkamatay ng isang bata. Nasaan ang pakikiramay ni Sara kay Kian at sa iba pang mga batang pinatay sa ilalim ng Tokhang?

Ang kailangan ng Tacloban ay hustisya, hindi ang kahipokrituhan ni Sara at ang walang lamang dada ni Robin. Ang kailangan ay tunay na pananagutan at mga polisiyang nakabatay sa ebidensiya, hindi sa yabang, pagpapapogi, at pamumulitika sa gitna ng trahedya.

Tatlo sa mga idol ng mga DDS na presidente, ay sina Gloria Macapagal Arroyo, Joseph Estrada at Rodrigo Duterte. Sa time ni Arroyo nakalaya si Estrada, sa time naman ni Duterte natanggal ang neck brace ni Arroyo at nakalaya yung mga senador na ipinakulong ni Pres. PNoy Aquino.

Si Arroyo binigyan si Estrada ng executive clemency just six weeks matapos ma-convict sa kasong plunder at mahatulan ng habang buhay na pagkakakulong. Yan ang mga idol ng mga DDS!! So paanong naging anti-corruption ang mga DDS? Pano mo paniniwalaan na galit sa mga kurakot ang mga DDS? Eh ang mga sinusupportahan nila at mga idol nila ay mga sangkot at napatunayang kurakot. Ang masaklap pa nito kay Trillanes sila galit na galit, si Trillanes na lumaban sa katiwalian sa AFP sa panahon ni Gloria Arroyo. Ang saklap diba?! Sana sa 2028 huwag nating hayaang manalo yung magpapalaya at magbibigay ng pardon sa mga pinakulong ngayon dahil mga magnanakaw yan sila!! Maawa tayo sa bansa natin! Pigang-piga na tayo, at tayong lahat ang nagsa-suffer dahil paulit-ulit nakakabalik ang mga magnanakaw sa gobyerno.

masaklap pa nito kay Trillanes sila galit na galit, si Trillanes na lumaban sa katiwalian sa AFP sa panahon ni Gloria Arroyo. Ang saklap diba?! Sana sa 2028 huwag nating hayaang manalo yung magpapalaya at magbibigay ng pardon sa mga pinakulong ngayon dahil mga magnanakaw yan sila!! Maawa tayo sa bansa natin! Pigang-piga na tayo, at tayong lahat ang nagsa-suffer dahil paulit-ulit nakakabalik ang mga magnanakaw sa gobyerno.

In December 1944, Lieutenant Hiroo Onoda was sent to Lubang Island, Philippines, with orders to never surrender. Even after Japan surrendered in 1945, he dismissed leaflets and news reports as enemy propaganda and continued living as a guerrilla in the jungle.

On March 10, 1974, Onoda finally surrendered—but only after his former commanding officer traveled from Japan to personally relieve him of duty. He handed over a rifle that still worked, hundreds of rounds of ammunition, and several grenades.

It's one of the most extraordinary true stories to come out of World War II.

TILAPIA IS OFTEN CALLED AS ST. PETER'S FISH

more

'Tilapia' is often referred as St. Peter's fish.

It is a common belief that **Tilapia** was caught by Saint Peter when he was instructed by our Lord to catch one from the Sea of Galilee in order to pay the temple tax (Mathew 17:27). This is due to the fact that tilapia is widely present in lake Tiberius (Sea of Galilee) in historical Palestine.

ANILAO JOINS PROVINCIAL ARBOR DAY

Nag-upod ako sa akon mga kasimanwa sa pagtanum sang mga puno sang mangka sa Brgy. San Carlos, Anilao bilang kabahin sang selebrasyon sang Provincial Arbor Day 2026.

Subong nga natapos na ang road widening sa aton national highway, ti-on naman ini nga amat-amat mapabalik ang mga fruit-bearing trees nga sang una nangin mapuslanon guid sa madamo nga mga Anilaonon, labi na sa tion sang aton kapiyestahan.

Nagapasalamat gid ako kay Kap. Marmar Rendon, Municipal Agriculturist Norlyn Montaña, MENRO Designate Eme Grace Bragancia, sa LGU Anilao, sa aton mga barangay officials, 4H Club members, PNP Anilao, BFP Anilao, kag sa tanan nga mga pumuluyo nga nagpakig-upod sa sini nga inisyatibo.

Under the leadership of Governor Toto Defensor, we continue to strengthen Tanum Iloilo as we work toward our shared vision of making Iloilo a Forest Province—a greener, more resilient home for present and future generations.

Madamo gid nga salamat sa tanan nga nagpakigbahin sa selebrasyon sang Provincial Arbor Day sa nagkalain-lain nga bahin sang aton probinsiya. Padayon kita sa pagtanom sang paglaum, Isa ka kahoy para sa palaabuton.

Rapunzel's legendary tower is finally becoming a reality!

Disney's live-action Tangled has reportedly entered production, and newly surfaced set photos appear to show construction of Rapunzel's iconic tower in Spain.

Instead of creating everything digitally, the production is reportedly building large practical sets, giving fans hope for a visually stunning adaptation.

Although Disney has yet to officially unveil the finished tower or release a first-look trailer, these behind-the-scenes images have already sparked excitement across social media.

'BIGLA KA NA LANG MAGTUTURO'

Senator Rodante Marcoleta told his colleagues in the upper chamber not to immediately jump to the conclusion that video games were to blame for the deadly June 22 school shooting in Tacloban City.

"Some of my colleagues in the Senate, they're quick to make a decision, quick to conclude that video games were to blame," he said on his TV program.

"Dahil kapag hindi ka naman talaga nag-analisa at hindi naman binigyan ng matinding pag-aaral kung paano nangyari ito, bigla ka na lang magtuturo na parang akala, ito ang may kasalanan, eh mapapahamak lahat, ang maaaring natukoy mo na, naging dahilan ng ganoong klaseng pamamaril di ba?" Marcoleta added.

Based on initial police investigation, one of the suspects in the shooting at San Jose National High School was an avid player of GoreBox, a violent, physics-driven sandbox game built around player-created chaos. #IMTNEWS

Nagpadala umano ng mensahe ang isang hindi pa nakikilalang indibidwal sa DepEd Batangas City Integrated Facebook Page bandang 10:00 PM kahapon.

Agad namang nagtungo sa paaralan ang mga pulis at nagsagawa ng threat assessment. Patuloy na rin ang imbestigasyon para matukoy ang nasa likod ng mensahe.

URGENT ANNOUNCEMENT
SUSPENSION OF CLASSES

In view of the reported shooting threats involving Batangas City Integrated High School (BCIHS), all classes and on-site school activities are suspended beginning tomorrow, June 29, 2026, until further notice.

This precautionary measure is being implemented to ensure the safety and security of all learners, teaching and non-teaching personnel, parents, and other members of the school community. Everyone is advised **not to enter or proceed to the school premises while the suspension remains in effect.**

The school administration is closely coordinating with the appropriate law enforcement authorities regarding the matter. Further updates regarding the resumption of classes will be issued as soon as the situation has been properly assessed and the safety of the school community has been ensured.

Please remain vigilant and immediately report any suspicious messages, accounts, or activities to the school administration or the proper authorities.

The safety of everyone remains our highest priority.

BEST WISHES, VANNESS!

Vanness Wu surprised fans by announcing his remarriage on Instagram, sharing a photo holding hands with his partner while wearing a wedding ring.

The announcement came just days after reuniting with fellow F4 members Jerry Yan and Vic Chou, alongside Mayday's Ashin for the F Forever concert at the Philippine Arena.

The actor-singer was previously married to Singaporean heiress Arissa Cheo in 2013 before they divorced in 2018.

House Impeachment Prosecutor Rep. Chel Diokno criticized the response of Vice President Sara Duterte's camp to the Articles of Impeachment, particularly its invocation of the vice president's right to freedom of expression.

Diokno made the remarks during a House press conference alongside Rep. Leila de Lima and members of the private prosecution panel.

In its answer to the four Articles of Impeachment, Duterte's camp invoked freedom of expression, the confidentiality of bank records and Anti-Money Laundering Council (AMLC) reports, and argued that the impeachment complaint lacks sufficient evidence.

Manny Villar used his senatorial campaign in 2007 as the test bed for the theme that would define his presidential run a couple of years later. In this ad, Villar paints himself as once a pauper that's one with the commonfolks. And got to give credit where credit is due, that jingle is one catchy earworm.

READ: Awra Briguela's friend, zayla, releases statement on the brawling incident in Makati involving them.

#AwraBriguela recently got arrested for physical injuries.

This is to end all made-up stories circulating online about the Bolthole incident involving my dearest sister, Awra.

Last night, Awra and the rest of our friends decided to club-hop in Poblacion, then we ended up clubbing in Bolthole in Makati. To emphasize, the vibe there is very dark and it uncomfortably crippled to me that I don't feel safe, at all, immediately right when we entered.

Minutes later, there's one guy who creepily harassed me with two attempts. First attempt, he touched my bum and squeezed it—I was wearing bra-top at the time. Second and worse attempt, he tried to insert his barehands inside my bra. He is full-creep and been roaming around the club and every time he gets near to me, I avoid him and that's where I draw the line. I decided to go home and leave.

After this harassment against me and my friend Mary Joy—my dear friend Awra confronted the guy very calmly after the party to defend me and our friend.

And since he is a plain se*hole, Awra and this creepy guy got heated up and that's where the trouble began. Just because Awra wanted to defend us from thid creep.

The guy threw fists first to Awra, of course as part of self defense, Awra fought back too. This assault is never ok, knowing it's pride month and we all just want to have fun.

I feel like all of our real friends will definitely armor us with this kind of people and Awra is just too humane to be defending her girlfriends and different stories unravel online like a wildfire.

The handcuffing clips circulating online tolerated negative versions of the story and this is something we don't take lightly. We are filing a strong case against this abuser and best hope this truth reveals what truly happened.

To my friends and Awra's please help us mass report anything degrading online. And to the influencers who meddled wrongly in this situation, think before you click. This is not the "content" worth clouting for. This is very wrong.

This is to end all made-up stories circulating online about the Bolthouse incident involving my dearest sister, Awra.

Last night, Awra and the rest of our friends decided to club-hop in Publioteca, then we ended up clubbing in Bolthouse in Makati. To emphasize, the vibe there is very dark and it uncomfortably crippled to me that I don't feel safe, at all, immediately right when we entered.

Minutes later, there's one guy who creepily harassed me with two attempts. First attempt, he touched my bum and squeezed it—I was wearing bra-top at the time. Second and worse attempt, he tried to insert his hands inside my bra. He is full-on creep and been roaming around the club and every time he gets near to me, I avoid him and that's where I draw the line. I decided to go home and leave.

After this harassment against me and my friend Mary Joy, my dear friend Awra confronted the guy very calmly after the party to defend me and our friend.

And since he is a plain as'hole, Awra and this creepy guy got heated up and that's where the trouble begins. Just because Awra wanted to defend us from this creep.

The guy threw fists first to Awra, of course as part of self defense, Awra fought back too. This assault is never ok, knowing it's pride month and we all just want to have fun.

I feel like all of our real friends will definitely arm us with this kind of people and Awra is just too humane to be defending her girlfriends and different stories unravel online like a wildfire.

The handcuffing clips circulating online tolerated negative versions of the story and this is something we don't take lightly. We are filing a strong case against this abuser and best hope this truth reveals what truly happened.

To my friends and Awra's please help us mass report anything degrading online. And to the influencers who meddled wrongly in this situation, think before you click. This is not the "content" worth clouting for. This is very wrong.

The gaming ecosystem already includes safeguards such as age ratings, parental controls, and platform moderation tools. These safeguards are important, but they are most effective when parents understand and use them.

[We do] not believe that banning games will address the broader issues surrounding child safety online.

Instead, we support-evidence based policies that strengthen digital literacy, improve awareness of age ratings and parental controls, promote responsible gaming, and encourage greater collaboration among families, educators, government, platforms, and industry.

KONSEHAL AIKO MELENDEZ NAGBAHAGI NG KANYANG MGA NAPUPUSUAN NA SENATORIAL CANDIDATES PARA SA 2028 ELECTION

Aiko Melendez · 4h ·

2028 is still a year and a half away, so I'm not filling up my entire Senate list just yet. I believe it's only fair to keep observing, listening, and watching how everyone performs before making a final decision.

But if elections were held today, these are some of the names that are already on my list.

1. Mayor Joy Belmonte my top choice for Senator.

Why?
She transformed Quezon City into one of the country's most progressive and people-centered local governments through reforms in governance and public services.

She institutionalized inclusive policies that protect women, senior citizens, persons with disabilities, and the LGBTQIA+ community proving that equal rights can be translated into concrete local programs.

She has shown that transparency, innovation, and compassion can all exist in public service. I believe the kind of leadership she demonstrated in Quezon City deserves a bigger platform in the Senate. 🍀🍀🍀

2. Atty. Rowena Guanzon

Why?
She has consistently spoken out against corruption and abuse of power, regardless of who is involved.

Her years in both the Commission on Audit and the Commission on Elections gave her deep experience in accountability, governance, and protecting democratic institutions. She isn't afraid to challenge powerful personalities when she believes the law and public interest are at stake. 🍀🍀🍀

Mayor Vico Sotto

Why?
He has become a symbol of transparent and accountable governance in local government. He has consistently pushed for innovation, digitalization, and efficient delivery of public services.

He represents a younger generation of leaders focused on good governance rather than traditional politics.

Again, these are simply my personal choices as of today. We still have plenty of time before 2028, and I believe every voter should continue observing, asking questions, and evaluating each candidate based on their track record not just campaign promises.

Now I'm curious...

Netizens, who are your Senate bets for 2028? Let's keep the discussion respectful. We may have different choices, but at the end of the day, we all want what's best for our country. 🇵🇭 Happy Sunday

Hindi lang bus ang pinasabog, pati ang konsensya ni Lara.

Sa utos ni Gen. Carillo, kinailangan niyang pasabugin ang bus bilang patunay ng kanyang katapatan. Bago nangyari ang pagsabog, halos gumuho na siya sa kakaiyak dahil alam niyang maraming inosenteng buhay ang mawawala. Sinubukan pa siyang pakalmahin ni Felix, natatakot na may makakita sa kanilang mga kasama.

Pero sa huli, natuloy pa rin ang pagsabog.

Habang kitang-kita sa mukha ni Gen. Carillo ang kasiyahan at tagumpay, si Lara naman ay tuluyang nadurog, pinapanood ang mga inosenteng naging biktima ng planong hindi niya ginustong isakatuparan.

Ito ang kaibahan ng tunay na halimaw at ng taong napilitang maging kasangkapan ng kasamaan.

The Golden State Warriors are looking to trade Jimmy Butler's contract for Anthony Davis, then sign LeBron James, per KevinOConnor

That would leave the Warriors with a Big Four of Stephen Curry, LeBron James, Draymond Green, and Anthony Davis.

That could also make Jimmy Butler a potential buyout candidate.

This could be a wild offseason.

"DUTERTE ANG PAG ASA NG MGA KORAP SA 2028"

Naglabas ng matinding pahayag si Lovely Granda kaugnay ng usapin sa 2028 elections at kay Vice President Sara Duterte.

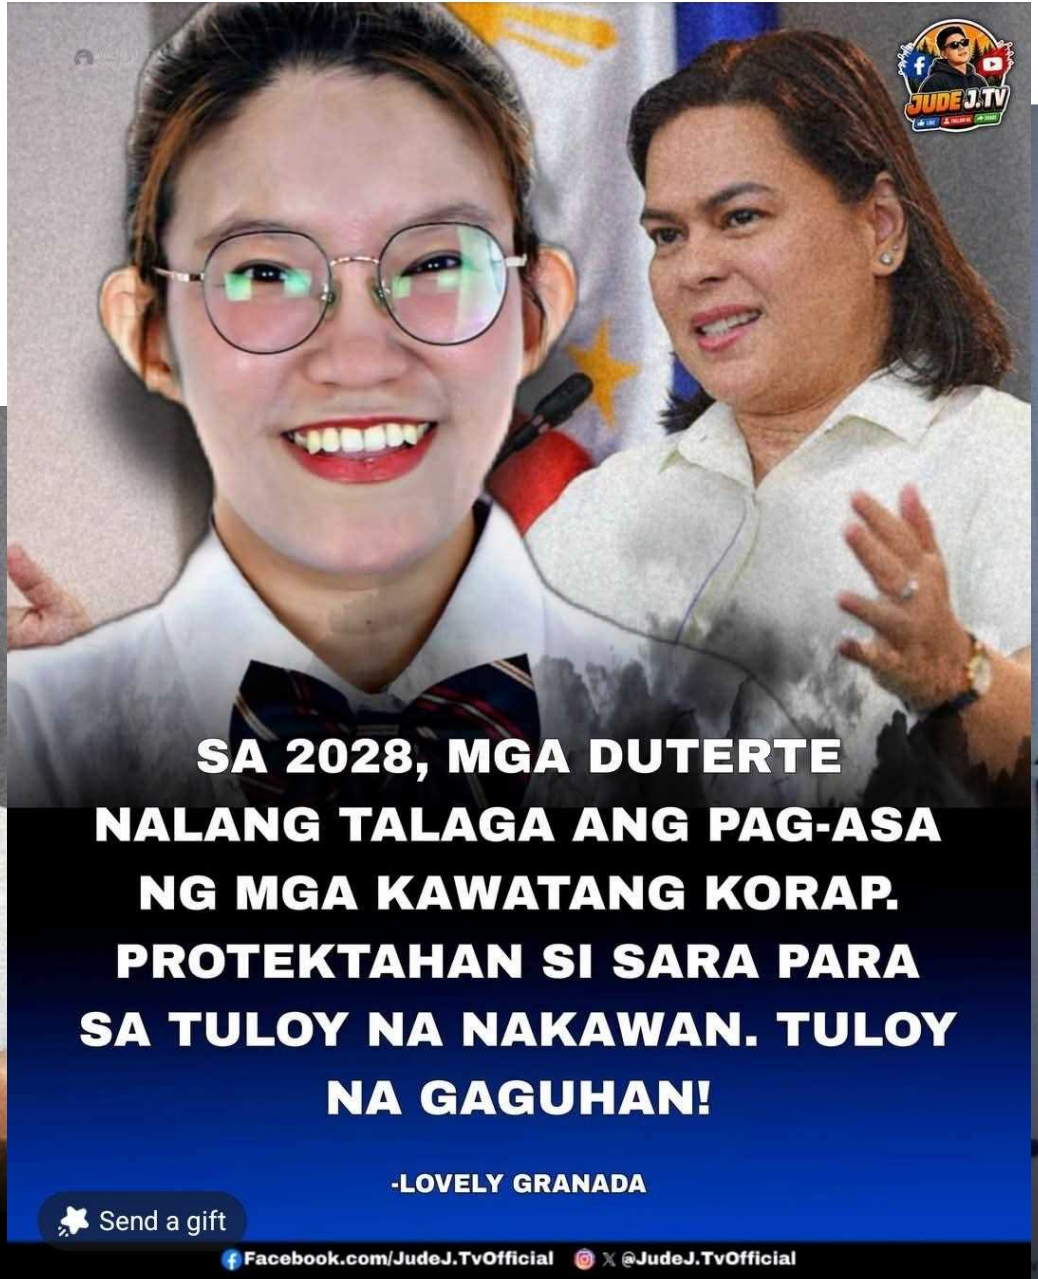

Sa kanyang pahayag, sinabi ni Granda na, "Sa 2028, mga Duterte na lang talaga ang pag-asa ng mga kawatang korap. Protektahan si Sara para sa tuloy na nakawan, tuloy na gag*han!"

Ang naturang pahayag ay nagpapakita ng kanyang pananaw at kritisismo kaugnay ng usaping pulitikal at nalalapit na halalan.

MGA MAGULANG AT ESTUDYANTE, IPINATAWAG NG PULISYA SA ESCALANTE CITY DAHIL SA UMANO'Y BANTANG KARAHASAN SA ONLINE CHAT

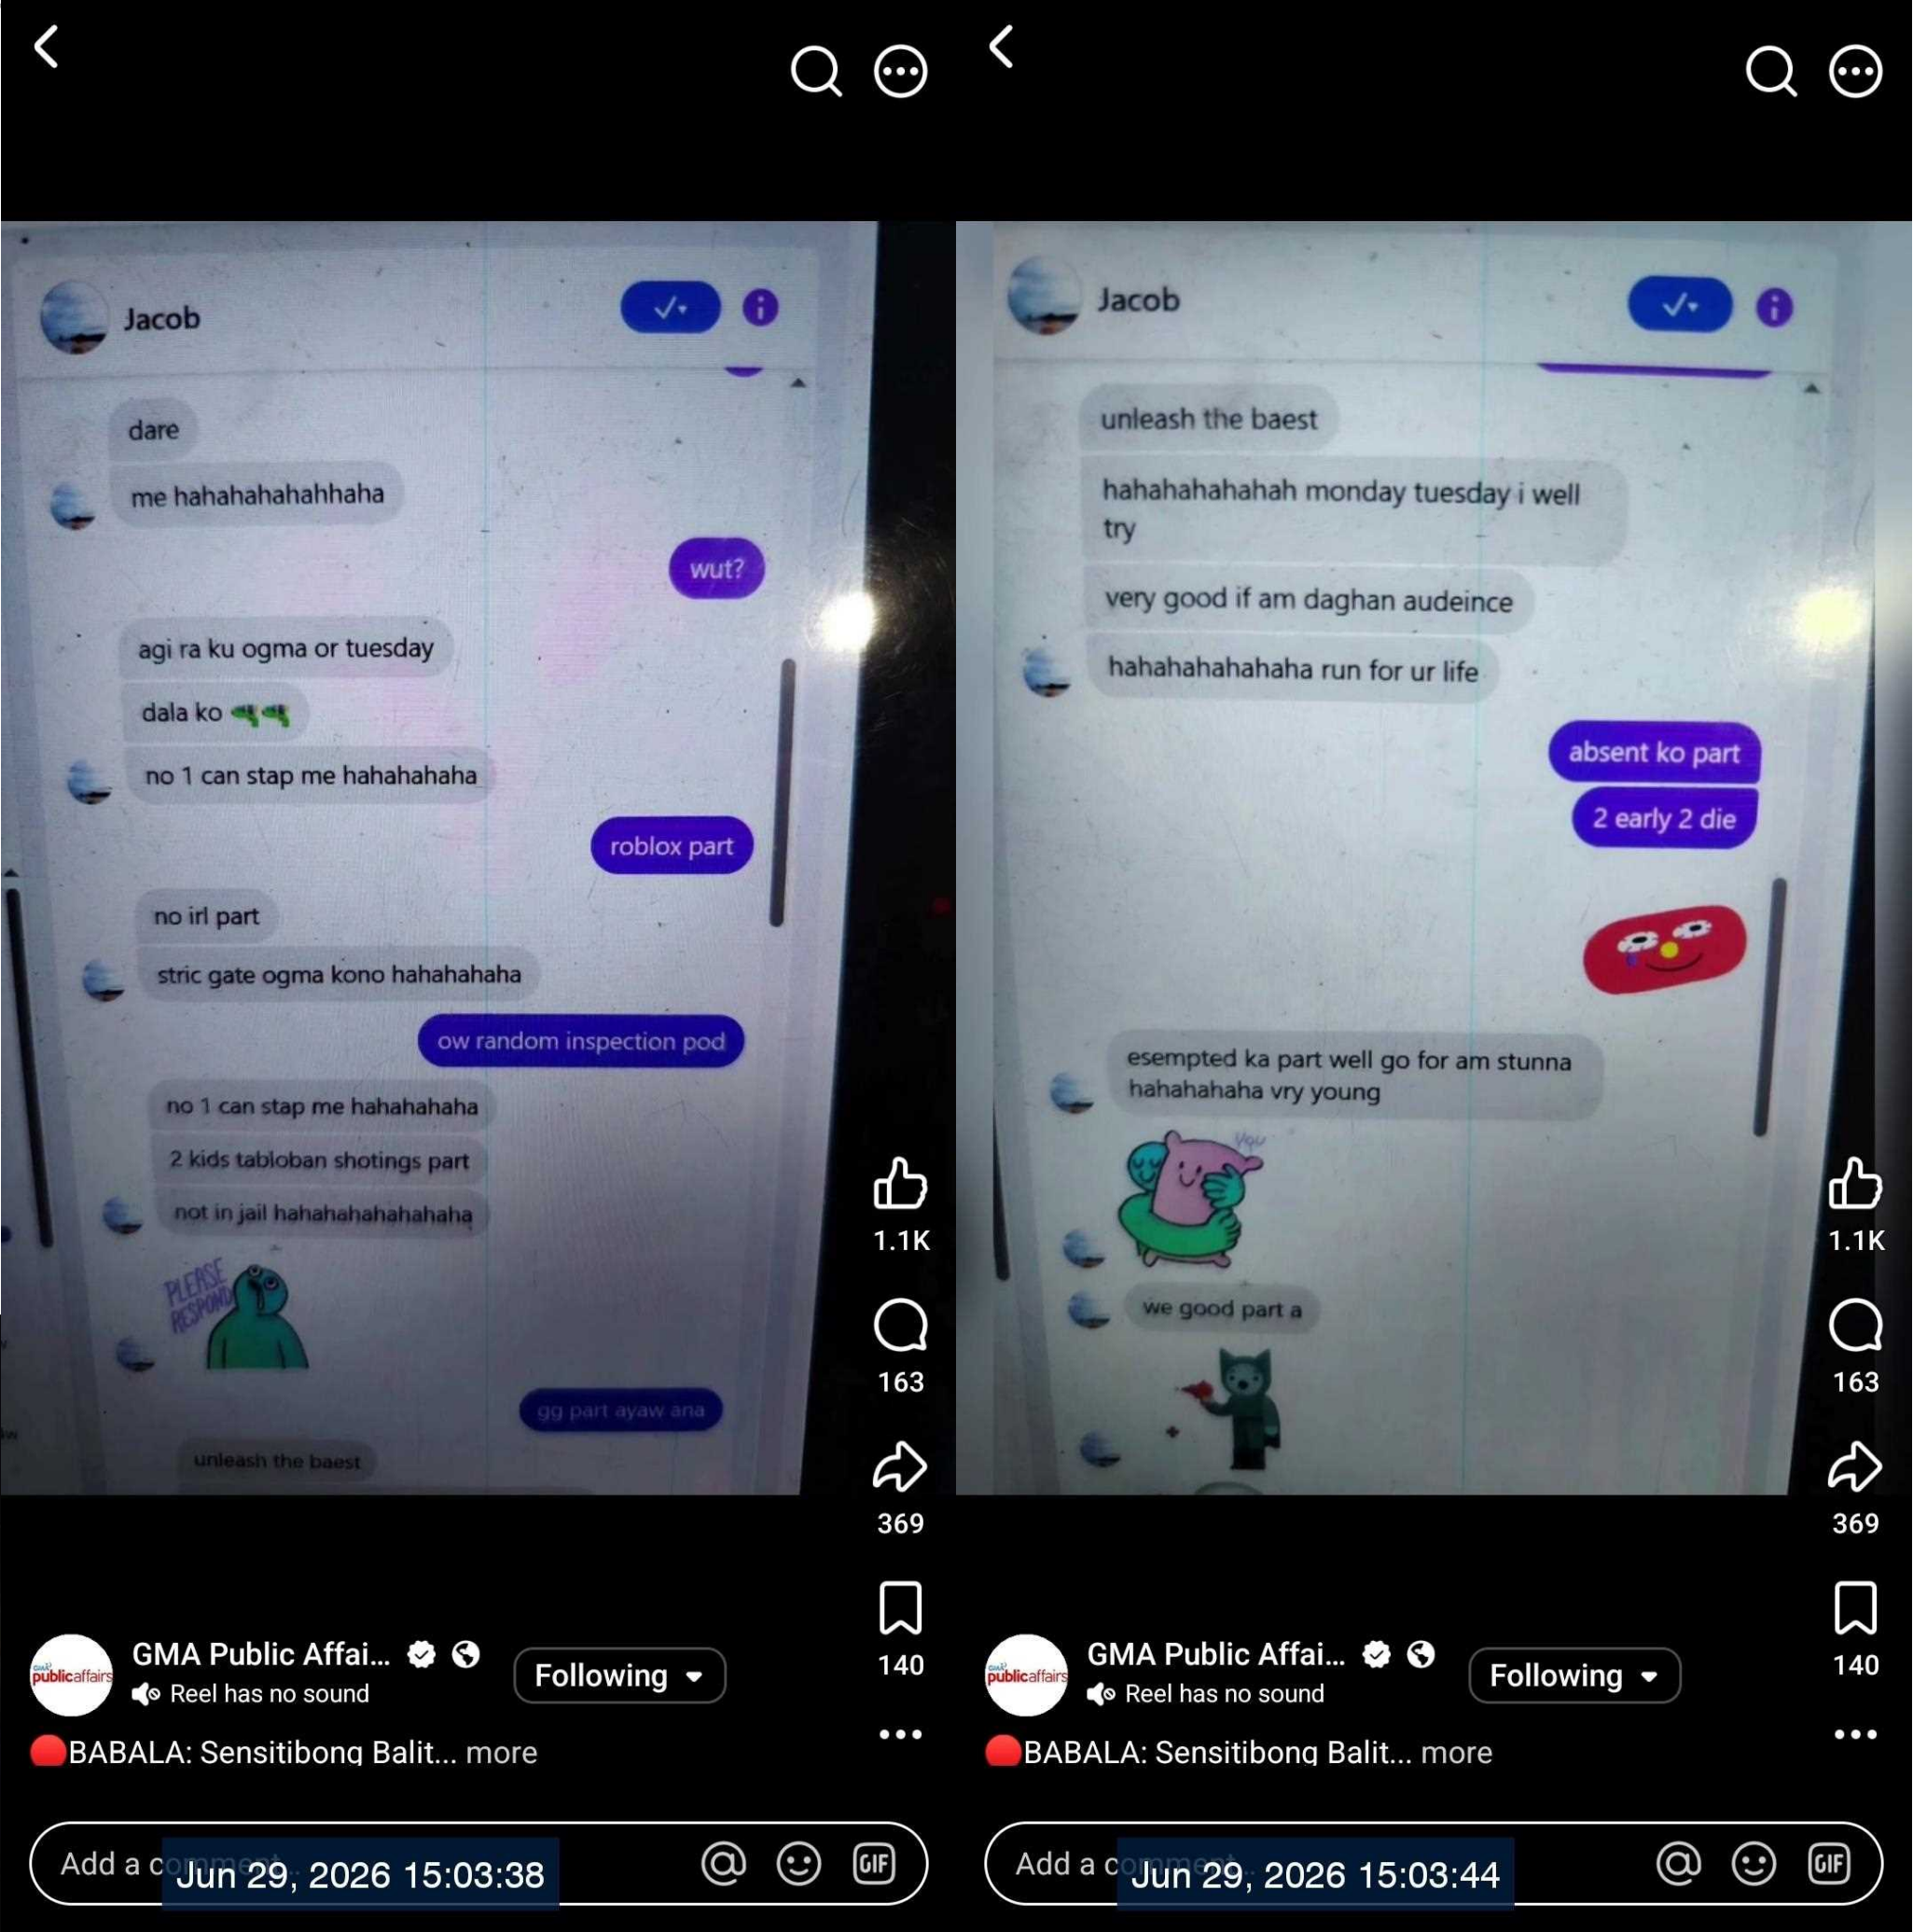

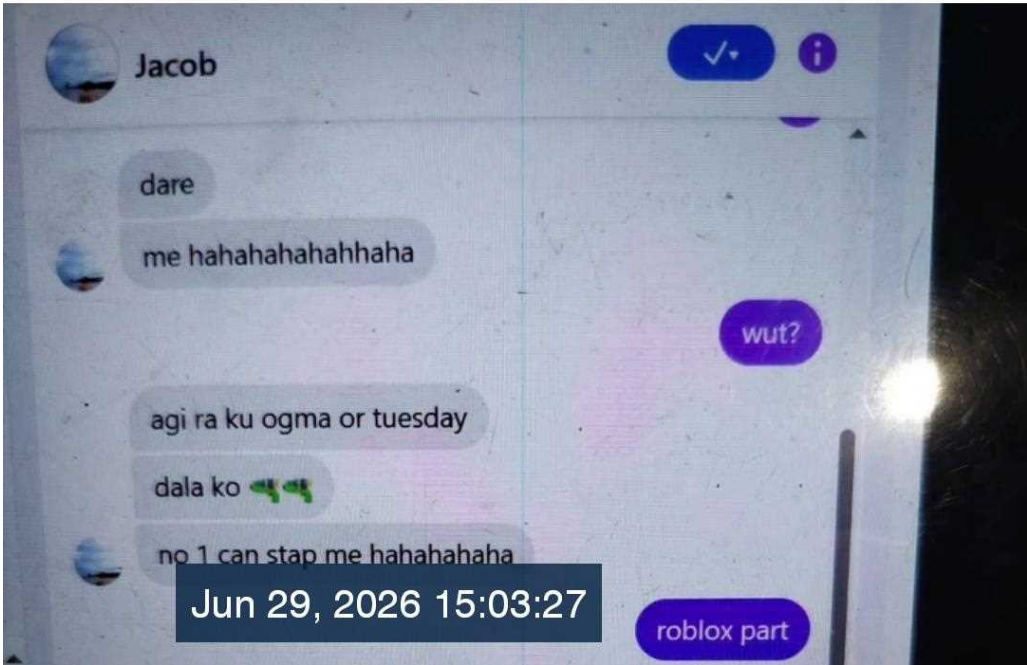

Ipinatawag ng pulisya sa Escalante City, Negros Occidental ang ilang mga magulang at estudyante para sa isang imbestigasyon matapos kumalat sa social media ang screenshots ng isang nakababahalang usapan sa isang online chat.

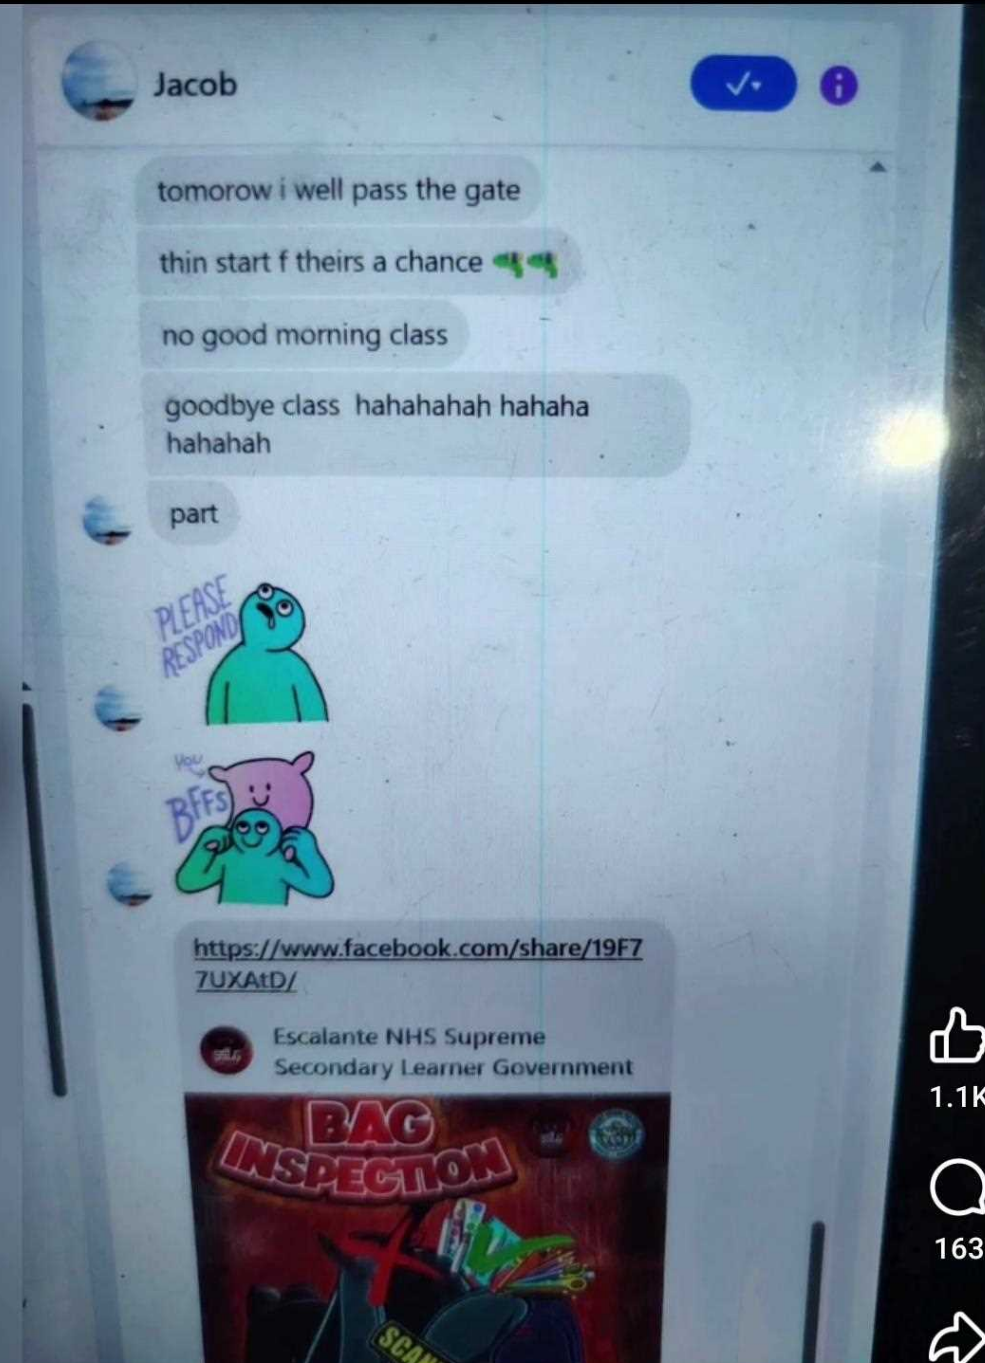

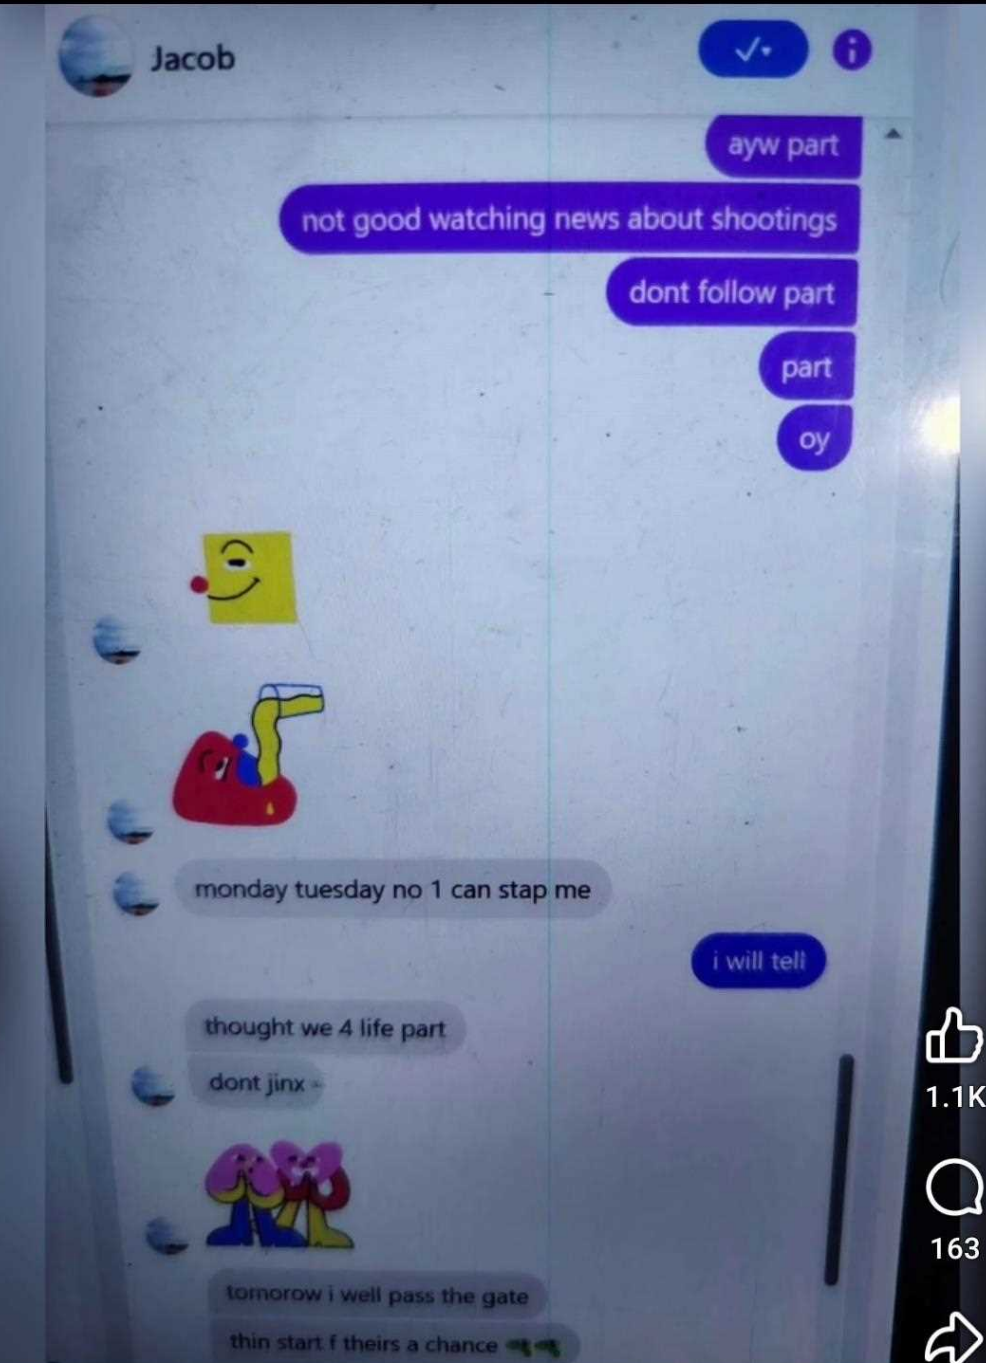

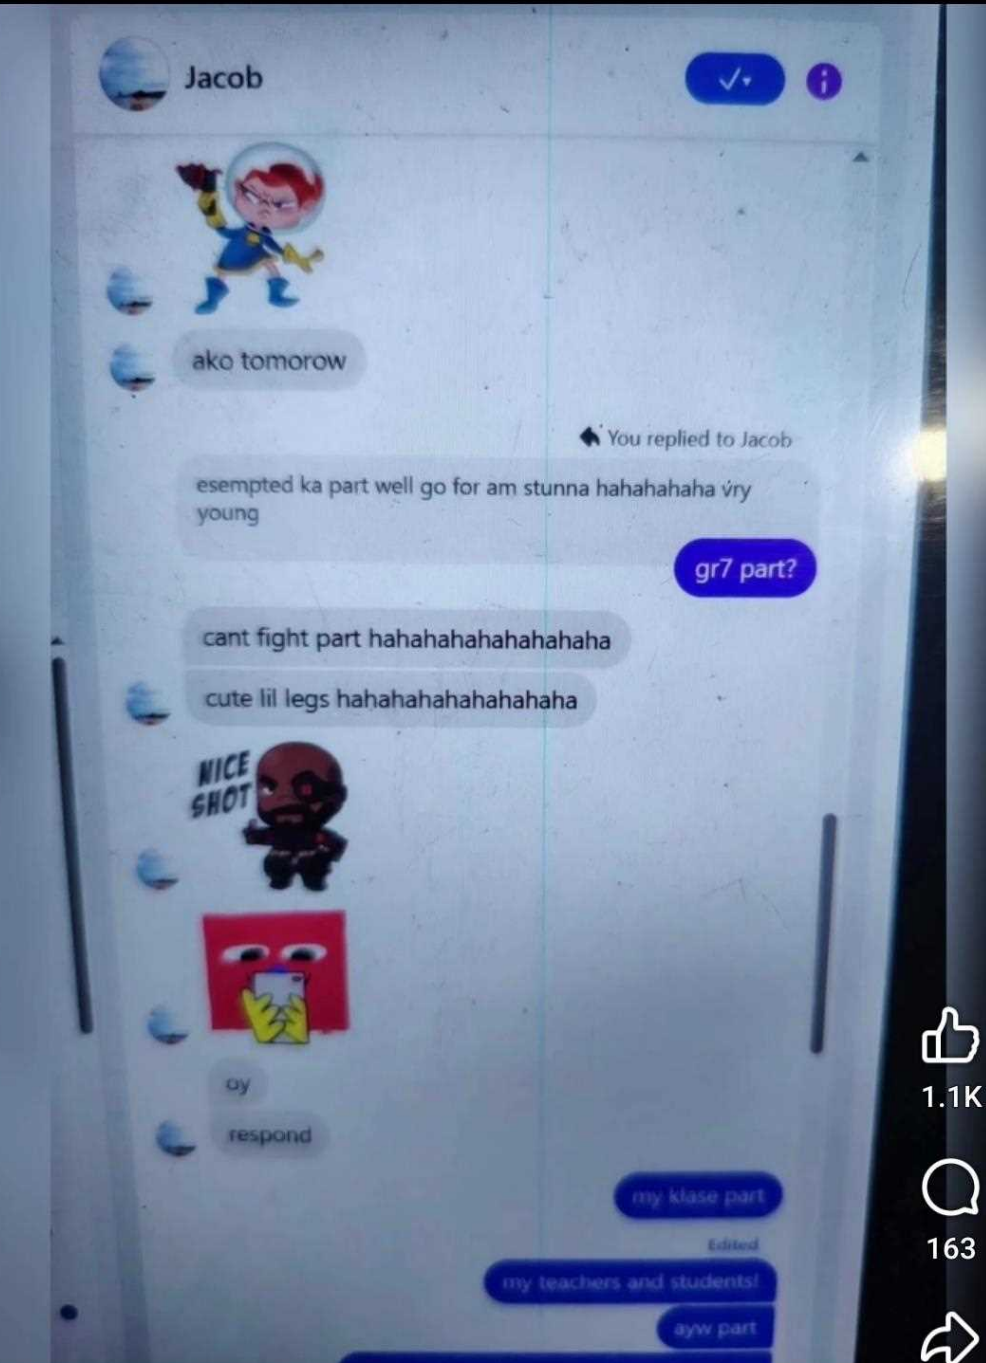

Sa naturang usapan, nagbanta umano ang isang estudyante na gumagamit ng pangalang “Jacob” na plano nitong gumawa ng isang karahasan na kahalintulad ng nangyaring madugong insidente sa isang paaralan sa Tacloban City.

Nabatid na isang babae ang nakadiskubre ng nasabing chat mula sa gadget ng kanyang pamangkin, at kalaunan ay ibinahagi niya ang mga screenshots nito online upang magbigay-babala.

Bunsod ng takot at labis na pag-aalala, agad namang sinundo ng mga magulang ang kanilang mga anak mula sa Escalante National High School ngayong Lunes, June 29.

'I KNEW I WILL NOT BE AN ORDINARY SP'

Sen. Alan Peter Cayetano has released a new video on his personal #YouTube channel reflecting on his tenure as Senate President, saying he knew from the beginning that his leadership would be "anything but ordinary."

In the video, Cayetano said his time at the helm of the Senate was marked by economic challenges, political divisions and declining public trust, while emphasizing that the chamber should remain focused on lowering the cost of living, creating jobs, strengthening government accountability and ensuring public funds benefit Filipinos.

Now serving as Senate Minority Leader, Cayetano said public office is temporary, but the duty to uphold the truth and serve the #Filipino people remains.

CAMPUS SURVEY SA UP DILIMAN: ROBREDO NANG... more

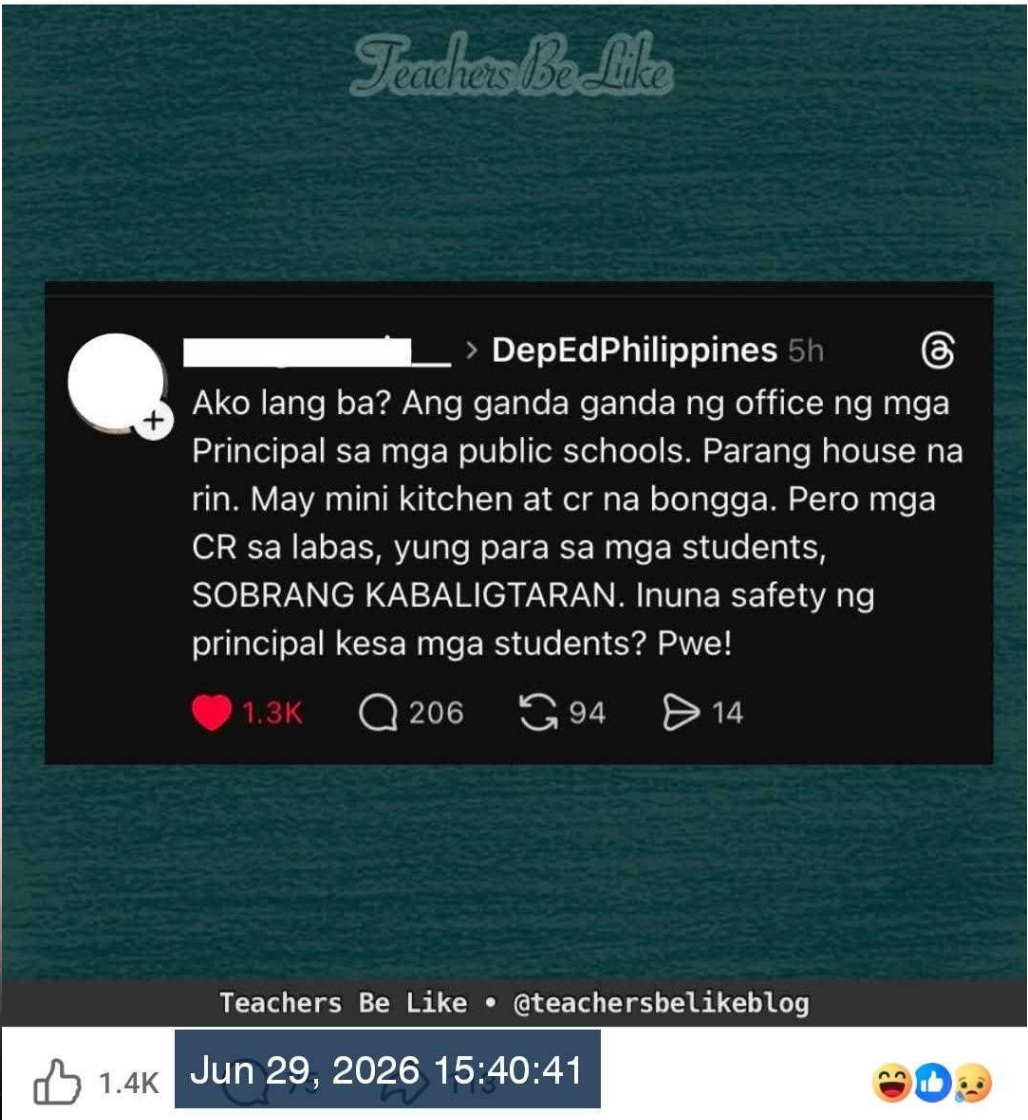

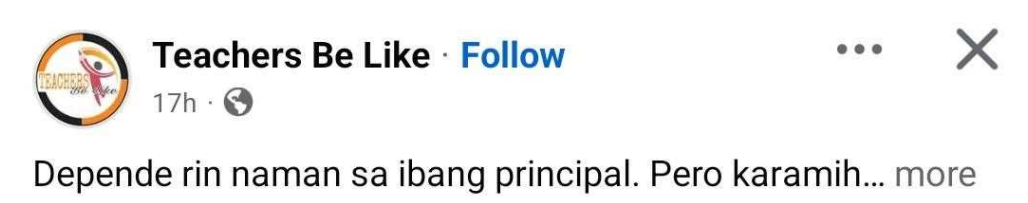

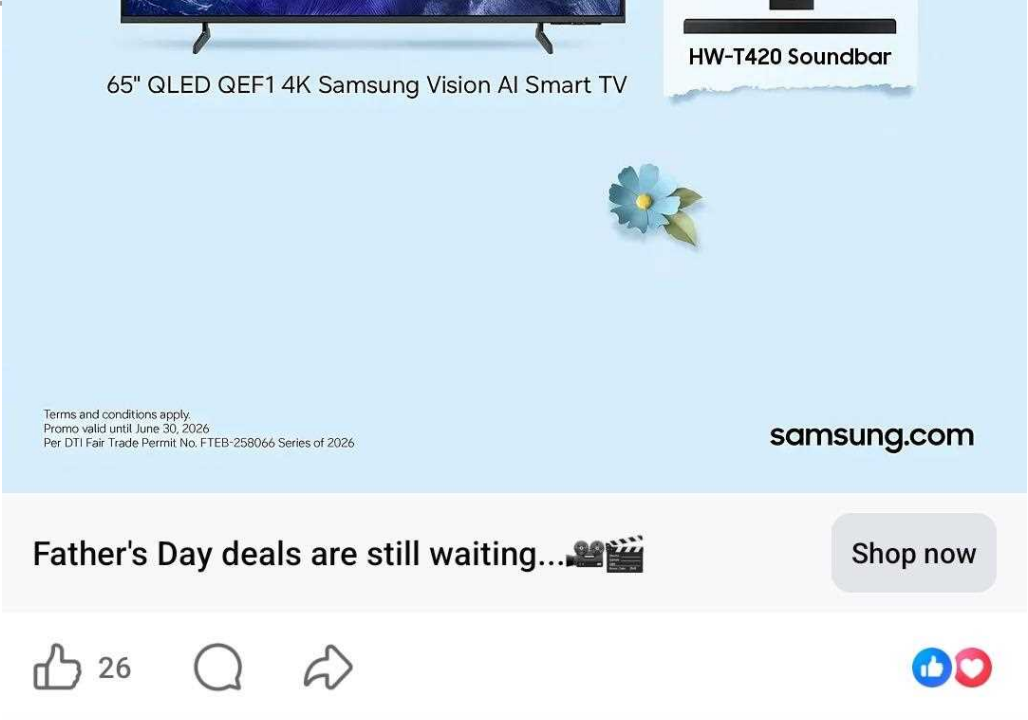

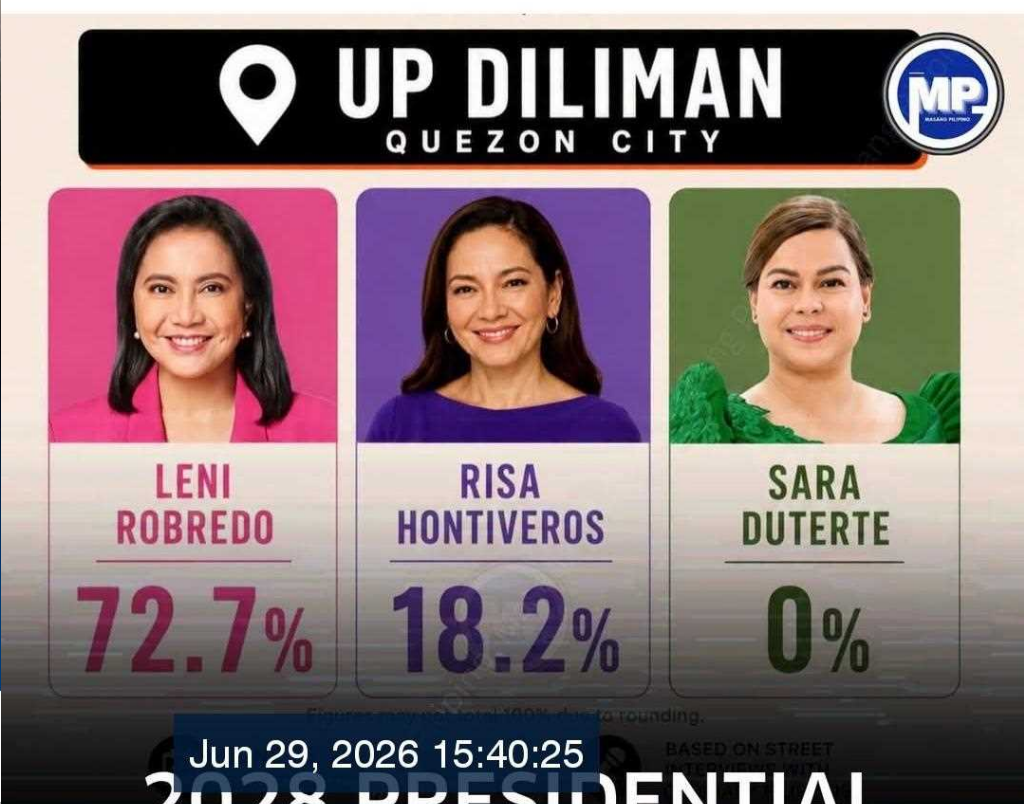

Nanguna si Mayor Leni Robredo sa isinagawang presidential preference survey ng social media page na KR TV - Main sa loob ng University of the Philippines (UP) Diliman sa Quezon City.

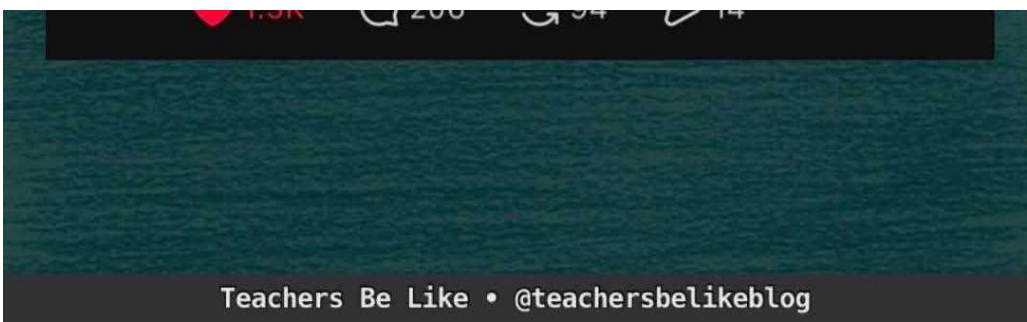

Batay sa resulta ng campus survey na isinagawa noong Hunyo 26, 2026, nakakuha si Robredo ng 72.7% ng mga boto mula sa mga respondent. Pumangalawa naman si Sen. Risa Hontiveros na may 18.2%.

Samantala, walang naitalang boto si Vice President Sara Duterte sa naturang survey.

Ayon sa KR TV - Main, ang inilabas na resulta ay mula lamang sa kanilang campus survey sa UP Diliman.

Patuloy namang nagkakaroon ng iba't ibang survey at online poll kaugnay ng posibleng mga kandidato para sa 2028 presidential elections habang papalapit ang susunod na halalan.

Gospel of the Day (Matthew 16,13-19)

Jesus went into the region of Caesarea Philippi and he asked his disciples, "Who do people say that the Son of Man is?"

They replied, "Some say John the Baptist, others Elijah, still others Jeremiah or one of the prophets."

He said to them, "But who do you say that I am?"

Simon Peter said in reply, "You are the Messiah, the Son of the living God."

Jesus said to him in reply, "Blessed are you, Simon son of Jonah. For flesh and blood has not revealed this to you, but my heavenly Father.

And so I say to you, you are Peter, and upon this rock I will build my church, and the gates of the netherworld shall not prevail against it.

I will give you the keys to the kingdom of heaven. Whatever you bind on earth shall be bound in heaven; and whatever you loose on earth shall be loosed in heaven."

Hayley Williams has been a huge influence on this upcoming album. Two songs in particular were directly inspired by her, especially "substack girl."

At one point, Kim was so obsessed with Hayley's Substack that she'd update the whole band every time a new post dropped. It honestly became part of our daily lives for a while. We really connect with the way she writes.

This is ISLAM!

11 year old Islamic bride' let this just sink in.

This is Islam where children are married at 6 years old to Muslim men in their 40's 50's and 60's. Muslim men can have intercourse with their child brides as soon as they turn 9 years old and this is the result of their filthy disgusting way of life, the so called religion of peace.

This child looks so very sad, I can't imagin the pain she is going through and she is not the only one, thousands of children are pregnant and they are also dying while giving birth.

Content creators should know better than to amplify fake-looking “news” without clearly stating the truth.

Sharing this fabricated post with a vague caption like “Seryoso ba ito?”, “totoo ba to?” does not responsibly inform followers, it invites confusion, outrage, and more shares. The graphic copies an official-looking government format, while the tiny “satire” label is easy to miss. A creator with a large audience should verify the claim first or clearly explain that it is false before reposting it.

You cannot hide behind “Hindi ko nakita na satire” after sharing misleading content with thousands of followers. A content creator should verify a post before amplifying it, especially when it imitates official government news. Influence comes with responsibility, and failing to notice the tiny label does not undo the confusion, reactions, and misinformation caused by the repost.

3 O'CLOCK PRAYER

You expired, O Jesus, but the source of life gushed forth for souls and an ocean of mercy opened up for the whole world.

Holy God, Holy Mighty One, Holy Immortal One, have mercy on us and the whole world.

Amen.

KATRINA SAYS 'YES' TO KRIS

LOOK: Actress Katrina Halili has officially said "yes" to former partner Kris Lawrence, who recently revealed he was courting her again more than a decade after their breakup.

Katrina shared photos of herself holding a cake with the words "It's a yes," along with a message about taking time before making matters of the heart. "Ang mga desisyong may kinalaman sa puso ay hindi para sa panandalian lamang, ito'y para sa panghabambuhay," she wrote.

In a separate post, Kris thanked Katrina for giving him another chance. "Maraming salamat, Binibining Ms. B. Pangako ko, araw-araw kong papatunayan na hindi ka nagkamali sa pagsabi ng oo," he wrote.

Hindi porke komunista, automatic, wala nang Diyos!

Sa totoo lang, komunista din ang nagsasapraktika ng aral ng Diyos Batay sa kabutihang panlahat. Kayo ba sa military, righteous ba ginagawa nyo? Sabagay, pag retired military plus DDIs pa, Diyos nyo si Duterte.

Kung ang sabi ni Lorraine Badoy, Diyos daw ng mga komunista si Ka Joma Sison, pwes, si Duterte ang Diyos ng mga DDS, di ba Boss **Ronnel Arambulo**?
